

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF OHIO
EASTERN DIVISION**

GE LIGHTING SOLUTIONS, LLC,

Plaintiff,

v.

CRS ELECTRONICS INC.,

**Defendant and
Counterclaim Plaintiff.**

)
) Civil Action
) Case No.: 1:12-cv-03133
)
) JUDGE PATRICIA ANNE GAUGHAN
)
) JURY TRIAL DEMANDED
)
) **CRS ELECTRONICS INC.’S RESPONSE**
) **TO GE LIGHTING SOLUTIONS, LLC’S**
) **MOTION TO CONSOLIDATE AND**
) **REASSIGN**

Defendant CRS Electronics Inc. (“CRS”) submits this response to Plaintiff GE Lighting Solutions, LLC’s (“GE Lighting”) Motion to Consolidate filed in three actions, two of which are pending before this Court: *GE Lighting Solutions, LLC v. CRS Electronics Inc.*, Case No. 1:12-cv-3133-PAG, *GE Lighting Solutions, LLC v. Lighting Science Group Corporation* (“LSG”), Case No. 1:12-cv-3132-DAP, and *GE Lighting Solutions, LLC v. Feit Electric Company, Inc.* (“Feit”), Case No. 1:12-cv-3134-PAG. The aforementioned three Defendants, CRS, LSG and Feit, represented by the same counsel, do not oppose a motion seeking consolidation of these related cases¹ before this Court through at least any *Markman* hearing.

The procedural history for these three related cases is as follows:

1. *GE Lighting Solutions, LLC v. CRS Electronics Inc.*, Case No. 1:12-cv-3133-PAG: GE Lighting filed its Complaint on December 28, 2012. (D.I. 1) Defendant CRS filed its Answer, Defenses and Counterclaims with this Court on Tuesday, February 12, 2013. (D.I. 12)

¹ GE Lighting’s Complaint in all three cases alleges that the defendant has infringed U.S. Patent Nos. 6,787,999 (“the ‘999 patent”) and 6,799,864 (“the ‘864 patent”).

2. *GE Lighting Solutions, LLC v. Lighting Science Group Corporation*, Case No. 1:12-cv-3132-DAP: GE Lighting filed its Complaint on December 28, 2012. (D.I. 1) Defendant LSG filed its Answer, Defenses and Counterclaims with Judge Dan Aaron Polster on Wednesday, February 13, 2013. (D.I. 12)
3. *GE Lighting Solutions, LLC v. Feit Electric Company, Inc.*, Case No. 1:12-cv-3134-PAG: GE Lighting filed its Complaint on December 28, 2012. (D.I. 1) Defendant Feit will be filing its Answer with this Court on or before February 25, 2013.

The three Defendants, CRS, LSG and Feit, do not oppose a motion seeking consolidation of these related cases through at least any *Markman* hearing that may occur on the '999 and '864 patents. However, if the cases proceed to trial, the above named Defendants may request separate trials against Plaintiff as opposed to one consolidated trial. As GE Lighting explained in its Motion to Consolidate, patent infringement cases involving the same questions of law for purposes of claim construction can be consolidated for *Markman* proceedings. *Kohus v. Toys "R" Us, Inc.*, No. C-1-05-517, -671, 2006 WL 1476209, at *1 (S.D. Ohio May 25, 2006). However, such cases do not also need to be consolidated for trial. *See id.* at *2.

While consolidation is being considered by the Court, each of the above named Defendants requests that the Case Management Conference set for March 27, 2013 (D.I. 4) and the Local Patent Rules for the United States District Court for the Northern District of Ohio, including, but not limited to, the commencement of discovery under L.P.R. 1.3 and Patent Disclosure deadlines (*e.g.*, L.P.R. 3.1 and 3.5), be held in abeyance until this consolidation issue has been resolved.

Dated: February 15, 2013
